

Are you about to leave your

retirement fund?

This information piece explains to a member all the options.

When you leave your retirement fund for whatever reason, it is important that you understand all the options available to you and the consequences of any decision you may make.

1

Select the option that is applicable to your situation and read the information carefully.

2

Keep your fund benefit statement handy since you will need to refer to this to see which benefits/options your fund offers.

You may download a recent benefit statement from www.retirementfundweb.co.za

3

Please consider consulting with an accredited financial services provider to obtain appropriate financial advice before you make any decisions regarding benefits payable to you from your retirement fund.
