1. Investment returns are quoted gross of investment management fees but are net of any performance fees. The returns on the Smoothed Bonus Range and the Volatility Protection Strategy are net of the guaranteed premium.

2. Investment returns for periods greater than 12 months are annualised.

3. This summary sheet is prepared for the Sanlam Umbrella Fund by its investment consultants. Every effort has been made to ensure that the information in this summary is correct. However, the summary is for information purposes only and Sanlam, the Sanlam Umbrella Fund and its investment consultants cannot be held liable for any loss or damage suffered as a result of any inaccuracy.

4. The previous investment strategy for the Sanlam Umbrella Fund lifestage solution (the Lifestage Programme) was changed effective 1 July 2013 and the assets were transitioned over the month of July 2013 to the Sanlam Lifestage solution.

5. Prior to September 2019 the Sanlam Blue Lifestage Accumulation Portfolio was wholly invested in the SIM Balanced Fund. In September 2019 the strategy changed to an allocation of 75% SIM Balanced Fund and 25% SPW Balanced Fund. Then in April 2021 the strategy changed to 50% SIM Balanced Fund and 50% SPW Balanced Fund.

6. The Sanlam Wealth Creation Lifestage Strategy, previously called Sanlam ACA Lifestage Strategy, is only available as a default investment strategy to new clients who had exposure to the ACA Wealth Creation portfolio in their prior fund.
