

FUTURA FOCUS

30 SEPTEMBER 2022

Dear stakeholder, client, friend,

On behalf of the Board of Directors of Futura SA, today we mourn the loss of our Chief Executive Officer and Founder, Marius Jonas, who passed away earlier this morning. Our sincerest condolences to all his friends and family. Marius touched a lot of people during his life and the hundreds of messages that we started receiving this morning, bears testament to his huge circle of influence.

Over the last 20 years, Marius has built Futura SA into a robust and well-diversified company with over 50 staff members and a strong leadership team. His passion for the retirement fund industry, and especially for the less fortunate in society, will continue to drive us forward, honouring Marius' legacy. Our strong team approach will ensure continuity in all aspects of our business.

More details will follow regarding his funeral arrangements.
