01 Introduction

This document summarises the terms and conditions of the participation in the Sanlam Unity Umbrella Fund (“The Fund”) as applicable at the date of publication. These terms and conditions apply from 1 June 2023 to all participating employers in the Fund. The document may be amended from time to time with 30 days’ notice to the participating employers.

The Fund is administered in terms of a set of General Rules and Special Rules registered in terms of Section 12(4) of the Pension Funds Act and is approved in terms of Section 1 of the Income Tax Act, and insurance policies issued by Sanlam. In the event of a discrepancy between these registered rules and policy documents versus this document, then the provisions of the registered rules and policy documents shall prevail.

The Sanlam Unity product offering is one of three Sanlam product offerings under the Sanlam Umbrella Fund product range, the other product offerings being the Standard and Comprehensive Options. Each product offering has been designed to meet the needs of a specific target market.

Each product offering has been designed to meet the needs of a specific target market.

The Fund in a nutshell

The Fund is an umbrella provident fund in which many employers and their employees participate in order to derive benefit from economies of scale. These cost savings ultimately translate into enhanced retirement payouts to members. It is a structure that enables employers to offer their employees packaged, flexible retirement savings and insured benefits.

The Sanlam Unity Umbrella Fund aims to provide a simple, cost effective and administratively efficient retirement funding and group insurance solution.

The Board of Trustees, in consultation with Sanlam, provides a packaged solution comprising an appropriate balance of retirement savings, life, disability and funeral cover that aims to meet the needs of the target market within acceptable cost parameters. The packaged solution is reviewed from time to time to ensure it keeps pace with market developments. The packaged solution is founded on the solidarity principle whereby uniform charging structures apply to all members.

A leading edge administration platform, excellent governance structures, transparency and integrity underpins the Sanlam Unity Umbrella Fund's offer.

Management of the Fund

The Sanlam Unity Umbrella Fund is managed by a Board of six Trustees, three of whom are appointed by Sanlam and three of whom are elected by the member representatives from a panel of suitably qualified industry professionals – all independent of Sanlam. Elected Trustees are appointed for a 3 year period.

A professional Principal Officer supported by a Fund Secretariat manages the day-to-day operations of the Fund's governance and ensures compliance with all regulatory requirements.

The appointed administrator of the Fund is Sanlam Life Insurance Limited. Sanlam Corporate, a division of Sanlam Life Insurance Limited is responsible for the administration of the Fund, hereafter referred to as "the Administrator".

The Administrator maintains the records of each member including member share values, and processes and settles all exit benefits payable to members.

The following measures have been adopted by the Board of Trustees to ensure proper fund governance, compliance and the management of risks.

- ④ Equal member representation on both levels of decision making namely representative committee meetings (Joint Forums) at employer level and the Board of Trustees where they are represented by industry professionals who are independent of the sponsor and in a position to protect members against any potential or perceived conflicts of interests
- ④ A Trustee code of conduct (based on annexure A to PF 130)
- ④ An acceptance of Trusteeship signed by each Trustee (based on form A of annexure A to PF 130)
- ④ A Trustee training protocol
- ④ A declaration of interests signed by each Trustee (based on form C of annexure A to PF 130 and PF 129)
- ④ A protocol on the acceptance of gifts signed by each Trustee (a departure from the narrow provisions of form B of annexure A to PF 130)
- ④ A system of appraisal to assist the board in assessing its efficiency as well as those of the Trustees (based on annexure B to PF130)
- ④ A fund governance and risk management plan, in terms of which the duties of the Trustees over the next 3 years are identified and allocated to responsible persons, with an indication of action items and 'due by' dates
- ④ The preparation of a fund register that contains all the legal and contractual documentation of the Fund
- ④ A year planner in which meeting dates and action items are identified
- ④ A master process and format for the agenda and minutes at each Trustee meeting to ensure that matters are prioritised and are receiving the Trustees' attention and that all actions and decisions are recorded
- ④ A range of protocols to clarify processes and procedures, and to identify the persons responsible for overseeing and ensuring compliance

The Trustees have delegated certain duties to committees each comprising the relevant specialist skills. In doing so, the Trustees remain responsible for the entire operations of the Fund, and the committees report to the Trustees via the Principal Officer and Fund Secretariat.

The Sanlam Unity Umbrella Fund and the King IV Report on Corporate Governance

The King IV Code of Governance was released on 1 November 2016 and served as a general governance criterion against which companies and all other entities, including retirement funds, should assess their level of governance.

The Trustees of the Sanlam Unity Umbrella Fund have embraced these principles and have implemented measures to ensure compliance with King IV even before it became effective. The Fund is also in compliance with the requirements of PF 130, a good governance guide specifically prepared for retirement funds by the Financial Sector Conduct Authority (FSCA).

As a result, the Fund achieved a very high compliance rating on the Governance Assessment Instrument for retirement funds (GAI), managed and maintained by the Institute of Directors. The Fund has also since been awarded the trophy as well as the gold standard for its governance and compliance practice and its financial reporting practice in the Institute of Retirement Funds Africa (IRFA) industry best practice competition.

The Board adopted the principles of good governance contained in the King IV report on corporate governance. The Board also subscribes to the revised Governance

Assessment Instrument as a form of objective monitoring and support and are very happy with the results. The following is new -

- The vocabulary is no longer listed company specific. It contains a special supplement to help adapt the Code to retirement fund governance.
- The 75 principles have been reduced to a mere 17, the latter being specifically applicable to institutional investors such as retirement funds.
- King IV is focused on outcomes. It emphasises not what practices have been implemented but rather what their impact has been on achieving the 17 principles.
- King IV requires funds to “apply and explain”. The reader of the explanation must be able to make an informed decision about whether the organisation has achieved the principles and realised the four outcomes; of ethical culture, performance in a sustainable manner, effective controls and legitimacy.

Joint Forums

All participating employers are recommended to establish a Joint Forum comprising employer and member representatives for each Sub-fund. Member representatives from every Joint Forum are invited to elect the independent Trustees of the Sanlam Unity Umbrella Fund.

Joint Forums are designed to facilitate the process of consultation and decision making between the participating employer and its employees in respect of their group retirement benefits within the spirit of the Labour Relations Act, No 66 of 1995. The Joint Forum is convened and chaired by the Contracted Benefit Consultant, who guides the Forum to ensure the Sub-fund’s benefit structure remains relevant.

The Joint Forum is not responsible for the operation and management (fund governance) of the Sanlam Unity Umbrella Fund. This remains the duty of the Board of Trustees.

The Trustees recommend that every Sub-fund should hold an initial Joint Forum meeting within 4 months of the establishment of the Sub-fund to review the installation process and the associated communication to members, and should thereafter meet at least once every year.

The Trustees accept that it might be appropriate and cost effective for the Joint Forum to either:

- ① meet every two years, or alternatively
- ② for the member representatives to attend Centralised Joint Forum meetings organised by the Board of Trustees for multiple Sub-funds instead of the requirement to hold their own Joint Forum meetings

The Employer has the right to consider, approve or disapprove any decision made by the Joint Forum that might have an effect on the company's finances or its labour relations. The employer remains the contracting party in its communication with the Fund and other relevant service providers to the Fund.

A panel of independent candidates is short-listed by a committee chaired by the Principal Officer taking into account qualifications, knowledge, and experience, and on condition that candidates must be entirely independent of Sanlam and not associated with a major competitor umbrella fund product offering. The resumés of all candidates are distributed to every Joint Forum electronically along with a ballot paper, and the member-elected representatives at each Joint Forum (maximum two per participating employer) can vote for their preferred candidates. The election procedure will be electronic but ballot papers completed by hand will also be accepted. The independent Trustees are then elected based on the number of valid votes received by the election closing date, following a counting of votes by the Fund Secretariat.

Equal Member Representation on the Board of Trustees

All participating employer and member representatives are invited to an Annual General Meeting. At this meeting they can meet the Trustees face to face and question them on their report. In addition, once every three years, the member representatives who serve on the Joint Forum are entitled to elect the independent, member representative Trustees from a list of recommended industry specialists. These member-elected independent Trustees have the knowledge, training and independence to protect members against any possible conflict of interest.

Sanlam's Corporate Governance Policy and Practice

The Sanlam Board of Directors is committed to the principles of the Code of Corporate Practices and Conduct as set out in the King Report on Corporate Governance (King IV), and to the highest level of corporate governance and best practice.

Sanlam sees value in subscribing to a system whereby ethics, personal and corporate integrity and governance practices set the standards for compliance. Sanlam is working to apply all the material aspects of King IV to its business.

More information regarding corporate governance is available on request or you can visit us at www.sanlam.co.za

Sanlam's Black Economic Empowerment Status

Sanlam understands that economic transformation is a national economic priority, and black economic empowerment (BEE) is a corporate responsibility.

Sanlam recognises that the principles enshrined in the Financial Sector Charter (FSC) are aimed at creating a broadbased BEE model through:

- ① Creating opportunities for previously disadvantaged employees and graduates, through accelerated skills development and employment opportunities
- ① Procuring goods and services from black-owned enterprises while working with them to develop these enterprises
- ① Investing in communities, in black entrepreneurs and in projects that support infrastructure development, low-cost housing and agriculture
- ① Ensuring that equity stakes are made available to black communities, and financing those.

In March 2019, Sanlam achieved a level 1 B-BBEE status. For the past 20-odd years, Sanlam has successfully contributed to BEE through the Group's Ubuntu-Botho partnership, numerous empowerment deals via a range of initiatives, Sanlam Sky Solutions, which is focused on creating access to financial services at the lower end of the market, and the initiatives run by the Sanlam Foundation, to mention but a few. Further economic value is added through procurement of services and enterprise development initiatives.

Sanlam's Plans and Targets

A more representative workforce and investment in our people remain our primary focus, however our overall strategic objective with regard to the BBBEE scorecard is to improve on our BBBEE rating.

Ubuntu-Botho Investments (Pty) Limited, our BEE partner at Sanlam Group level, was born out of our strategy to reapply the principles of mutual co-operation - the original principles upon which Sanlam was founded more than 90 years ago and has grown so successfully.

In Africa, mutual co-operation is embodied in the terms "ubuntu" and "botho" (Nguni and Sotho, respectively), meaning, "I am because you are".

Behind these words lie humanity, respect, good values and the understanding that each one of us is inextricably a part of the community around us.

The Ubuntu-Botho consortium has three anchor shareholders:

- ① Sizanani-Thusanang Helpmekaar led by Patrice Motsepe (55%)
- ① Sanlam/Ubuntu-Botho Community Development Trust (20%)
- ① The Broad-based Empowerment Groupings (25%)

Further information on BEE, Ubuntu-Botho and sustainable development in Sanlam is available on our website www.sanlam.co.za

How the Fund works

Minimum Requirements

The minimum requirement for an employer to participate in the Fund is a membership of 20 members.

It is a Sanlam Unity participation requirement that all participating employers utilise the Sanlam Corporate Portal (SC Portal) and electronic contribution receipting facilities so as to streamline the administration of their retirement fund.

The minimum net monthly member plus employer contribution rate towards retirement savings is 5% of salaries and is subject to the net employer contribution rate being positive for all members.

Contributions

Contributions are payable monthly in arrears. Employers have the option to include life and disability insurance for their members.

Life and Lump Sum Disability Insurance are structured on an approved basis within the provident Fund. The Funeral Benefit is provided as an unapproved scheme, separate from the provident fund, and the cost of these risk premiums can either be included or excluded in the total contribution amount paid to the fund.

Members may make additional voluntary contributions at any time to enhance their retirement benefit.

A lump sum, to which a member has become entitled on withdrawal from another approved pension or provident fund prior to joining the Fund, may be transferred to the Fund.

03

The minimum requirement for an employer to participate in the Fund is a membership of 20 members.

Normal Retirement Age

The normal retirement age is 65 years, but members are permitted to retire early from age 55 onwards with the permission of their employer.

Life Insurance

Cover is expressed as a multiple of salary for all members. On commencement, the employer chooses between 0, 1, 2 or 3 times annual pensionable salary as the Life Insurance that is paid in respect of the member in addition to his/her member share. This insurance cover is provided subject to the terms and conditions as set out in Sanlam's insurance policy.

A maximum benefit of R600 000 will apply to the Life insurance, for participating employers joining the Fund from 1 December 2017.

The maximum age at entry is the earlier of Normal Retirement Age or the age of 65 years. The Life Insurance ceases for members actively at work at the earlier of Normal Retirement Age or the age of 70 whichever occurs first.

In case of members with a variable income (e.g. commission or fee earners), the annual remuneration amount, whereupon cover is based, is limited to the average income which he/she received from the employer during the twelve months immediately preceding the date of the claim. If he/she has received an income from the employer for less than twelve months, the rates quoted will also be based on the average income over the period of income received.

A committee approves the payment of death benefits due to beneficiaries of deceased members, in terms of Section 37C of the Pension Funds Act, No 24 of 1956. Where the Trustees are of the opinion that it would not be in the interest of a minor beneficiary that his/her benefit be paid to his/her parent or guardian, the benefit may be paid to a registered beneficiary fund. The Trustees have approved the use of the Sanlam Trust Beneficiary Fund as well as the Legacy Beneficiary Fund. The Board of Trustees will only be able to pay the benefits allocated to minor beneficiaries into a trust in very limited circumstances, e.g. where the member has nominated a trust to receive the benefits on behalf of the minor and the trust meets the requirements of the Fund and the Pension Funds Act.

Lump Sum Disability Insurance

A lump sum of between 0, 1, 2 or 3x annual pensionable salary (equal to the Life Insurance) is payable after a waiting period of six months if the member is totally, permanently and continuously prevented, even with further in-service training:

- ④ from following the regular occupation which he/she practised immediately before; and,
- ④ from following the occupations which he/she, in view of his/her training and experience, may reasonably be expected to follow,
- ④ and experiences loss of income.

This insurance cover is provided subject to the terms and conditions as set out in Sanlam's insurance policy.

A maximum benefit of R600 000 will apply to the Lump Sum Disability Insurance, for participating employers joining the Fund from 1 December 2017.

The lump sum will be reduced by 1.667% per month to nil over the last five years before the normal retirement age. Cover ceases at the earlier of normal retirement age or attainment of age 65.

Drivers: The member must be unable to follow any occupation in order to qualify for the benefit.

Funeral benefit

The Funeral benefit ceases upon the normal retirement age of 65 of the member.

The cover amounts which can be selected are R5000, R10 000, R15 000 and R20 000. Benefits are paid in respect of the death of the principal member, qualifying spouse or qualifying children according to the following scale:

- ④ Principal member, qualifying spouse or qualifying children aged 14 and over are covered for 100% of the selected cover amount.
- ④ Qualifying children aged 6 and over but younger than 14 are covered for 50% of the selected cover amount.
- ④ Qualifying children younger than 6 and still-born children are covered for 25% of the selected cover amount.
- ④ Accident cover for the principal member only is 100% of the selected cover.

The cover will continue for members actively at work after the normal retirement age until actual retirement or the age of 70, whichever occurs first. The maximum age at entry for the principal member is before the age of 65 years and for qualifying spouses before the age of 75 years.

All cover ceases at the first of the following events:

- ④ When the principal member ceases to be an employee
- ④ Upon retirement of the principal member
- ④ When a premium is not paid continuously
- ④ If the scheme is dissolved

When the principle member dies, cover for the member's qualifying spouse and qualifying children ceases.

The Funeral benefit is charged as a fixed rand amount per member per month.

Members are required to complete a beneficiary nomination form for Funeral benefits. In the absence of a beneficiary nomination form, the benefit will be paid to the members estate.

Funeral Insurance for extended family members is offered as an additional unapproved risk scheme, underwritten by Sanlam Sky.

Additional Unapproved Risk Schemes

Futura SA Administrators (Pty) Ltd offers additional unapproved risk schemes targeted and designed to meet the needs of employees. These risk schemes are underwritten by Sanlam Group Risk, and include a range of group insurance products. Premiums in respect of these unapproved risk schemes are paid monthly, and are paid separate and additional to the monthly contributions paid towards the Fund.

Funeral cover for extended family members is offered as an additional unapproved risk scheme, underwritten by Sanlam Sky.

Housing Loan Surety

Participating employers can apply for a housing loan facility for their members whereby a loan is granted to a member by a financial institution. The Fund then grants a surety in favour of the financial institution, which is secured by the member's share. The loan may only be used for housing purposes envisaged in the Pension Funds Act.

The Trustees have approved housing loan facilities via First National Bank. These banking products are designed to protect the member from over-indebtedness, and to comply with both the letter and spirit of the Pension Funds Act, No 24 of 1956 and the National Credit Act, No 34 of 2005.

The maximum surety in respect of all financial service providers is 50% of the member's share at the date of application. The maximum installment is 25% of the member's net remuneration. The minimum loan is R5 000 and the repayment period is a maximum of 15 years, but must be paid before a member retires from the service of the employer.

Investments

The Trustees of the Fund have a formal investment strategy in place whereby the Fund aims to provide stable long term returns in excess of inflation that suits the majority of the members' long-term investment needs.

The Fund currently invests 100% in Sanlam Stable Bonus Fund in order to achieve its objectives.

The Trustees review the investment strategy continually, and will make periodic changes to the underlying investments in line with the objectives of the strategy.

Investment Management Fees

Investment management fees are levied by professional investment managers employed by the Trustees in terms of the Fund's approved investment strategy. These fees will vary from time to time depending on the investments selected by the Trustees.

The investment management fees of the two portfolios underlying the Trustees' approved investment strategy are as follows:

Portfolios	Fees
Sanlam Stable Bonus Fund	Sanlam's cost in relation to the investment plan is recouped by recovering the following fees: Investment Management Fees: <ul style="list-style-type: none">• 0.425% per annum Guarantee Premium: <ul style="list-style-type: none">• 0.90% per annum Annual Performance Linked Fee: <ul style="list-style-type: none">• The investment manager may be incentivised with performance fees (capped at 0.30% p.a.). Details of the performance fees actually paid over the past calendar year are available on request.

Underwriting Conditions for Group Insurance

Participating employers who joined the Fund prior to 1 December 2017, are subject to a medical proof free limit as stated on the signed quotation.

A maximum benefit of R600 000 will apply to the Life and Lump Sum Disability Insurance, for participating employers joining the Fund from 1 December 2017.

General

Sanlam Group Risk

The insurer of all group insurance under the Sanlam Unity product offering is Sanlam Group Risk, being the specialist corporate risk insurer within the Sanlam Group.

Membership

Quotations are only for eligible employees under the normal retirement age and who are actively employed by the participating employer. Membership is compulsory for new qualifying employees. In the opinion of Sanlam Group Risk, an actively employed member should be capable of performing his/her normal duties with the employer. In the case of take over of an existing fund where members past normal retirement age were covered, members falling into this category are eligible, provided such continued cover is indicated on the quotation.

Cover will take effect from the date on which membership commences and applies 24 hours a day.

In the event that a quotation is accepted after the effective date of commencement, any insurance claim that is submitted and that occurred prior to the employer's signature of the Confirmation of Acceptance shall not be admitted unless the Insurer agrees to admit the claim on an ex-gratia basis. Sanlam Group Risk's decision in such circumstances shall be final and binding.

**Cover will take effect
from the date on
which membership
commences and
applies 24 hours a day.**

Absence from Work Upon Commencement of Membership

On date on which membership commences:

The insurance of a member who is absent from work (because of sickness or an accident) on the date on which his membership commences, will take effect only after 60 days from the date on which he/she resumes his/her normal duties with the employer or after medical evidence of good health has been provided (whichever is the earlier). The member will not be covered if he/she dies before he/she is capable of resuming his/her normal duties. The Insurers will decide whether the employee is fit to do his/her normal duties, and may require relevant proof and information in this regard before admitting a claim.

Temporary absence:

If a member is temporarily absent from the service of the employer with the employer's consent, the member will continue to be covered for insurance but not for longer than two years. Periods of absence that are interrupted by periods of service of less than three months are added together to determine whether the period of two years has elapsed or not. Insurance premiums, Administration Fees, Consulting Fees and Contingency Reserve Account Levies remain payable to the Insurer and the Fund during periods of absence.

Take-over of Existing Benefits

Should any member's benefits change as a result of the take-over, the lesser of the previous or the new benefits will apply to members, other than existing or pending disability claimants, who are not "actively in

service" on the take-over date.

The commencement date with regard to the participating employer will be a date (first day of a month) following the notice of acceptance.

Members Who Work Outside the Borders of the RSA

Sanlam Group Risk can provide cover for members who work temporarily outside the borders of RSA or resides outside RSA on a permanent basis, based on the following conditions:

- ④ All payments to and from Sanlam Group Risk will be in RSA currency
- ④ Cover and premiums will continue for a period of 6 months, at the same level as before these members started working outside the RSA
- ④ If the cover needs to be extended after 6 months, the employer needs to advise Sanlam Group Risk and new conditions, if any, will be confirmed
- ④ The cover will automatically cease after 24 months. If necessary, new arrangements will have to be negotiated at that stage

 - The expected period of stay
- ④ These members must remain on the local payroll
- ④ Sanlam Group Risk reserves the right to have the final assessment of disability claims done locally
- ④ The normal territorial limitations with regard to claims in payment will apply.

Qualifying Spouse

A qualifying spouse in the case of a member means the person with whom he/she is joined in marriage.

If a member is joined in marriage with two or more persons, qualifying spouse means only that one of them whom the member nominated in a written document and submitted to the employer during the person's life.

If the employer advises Sanlam that the insured has failed to nominate only one of them, only the one with whom he/she is joined in marriage first will qualify.

Once a nomination has been made, it remains in force as long as the member is joined in marriage with the nominated person.

Marriage means:

- a marriage or union in accordance with the Marriage Act, 1961, the Recognition of Customary Marriages Act, 1998, or the Civil Union Act, 2006, or the tenets of a religion (applicable to insurance provided via the Fund and via a separate scheme); or
- a union where two persons are living together as if married, with the commitment of continuing to do so permanently (applicable to insurance provided via a separate scheme) provided that:
 - they have been doing so for at least 6 months; and
 - in the format prescribed by the Employer from time to time, they applied in writing to the employer, before the death of any one of them, for their union to be registered by the Employer; and
 - one or both of them are not joined in a marriage or union (as contemplated in the first bullet of the definition) with another person.

Qualifying child

A qualifying child in the case of a member (principal member) means his/her qualifying child or his/her qualifying spouse's child.

- is unmarried and has not reached the age of 21 years; or
- is unmarried, has not reached the age of 26 years and is a full-time student at an educational institution of a public nature; or
- is incapacitated by a physical or mental infirmity from maintaining himself/herself and such incapacity commenced when the child was either under the age of 21 or under the age of 26 years while a full-time student at an educational institution; or
- is nominated in the required format before the risk is accepted;
- except a stepchild who on the date of the member's death was not dependent on the deceased for maintenance to any extent.

Still-born child

A still-born child means a child that has had at least 26 weeks of intra-uterine existence, but showed no sign of life after complete birth.

Pre-existing Health Conditions

Should any benefits change as a result of the take-over, amendment or increase in benefit, the smaller of the previous or the new benefit will apply.

Disability insurance

The benefit does not apply if the date on which the disability started occurs within 12 months of the entry date and the disability arises directly or indirectly from/or is traceable to:

- ① A bodily injury which occurred; or
- ① A diseased condition of which the member was aware or experienced symptoms or for which the member received medical treatment; during the six months immediately before the entry date.

Drivers: The member must be unable to follow any occupation in order to qualify for the benefit.

The participating employer must submit claims in writing to the Administrator, using the claim forms provided, within the timeframes set out in the policy.

The Insurer may from time to time insist on further requirements before considering a claim. If applicable, this information will be requested in a separate letter.

No benefit will be paid if Sanlam Group Risk is not notified of the claim within six months of the event. At termination of the Sub-fund, a period of six months will be allowed in which notice can be given of claims that occurred before the termination date.

No insured benefits will be paid unless the claim is approved and settled by the Insurer.

 - attacks on or sabotage of facilities (including, but not limited to, nuclear power plants, reprocessing plants, final repository sites and research reactors) and storage depots, which lead to the release of radioactivity or nuclear, biological or chemical warfare agents, irrespective whether any of the aforesaid has been performed with the specific use of information technology.
- ① No disability benefits will be paid if:

 - the disability is attributable to a member's having negligently or wilfully exposed himself/herself to danger, except in the interests of the law or to protect his/her or another's life or property.
 - the disability is attributable to an Insured's intentional self inflicted injury.
 - the disability can be substantially removed by surgery or any other medical treatment which, taking into account the risk and the prospect of success, an Insured can reasonably be expected to undergo.

Medical Proof Free Limit (Cover Free of Medical Evidence)

Participating employers who joined the Fund prior to 1 December 2017, are subject to a medical proof free limit as stated on the signed quotation. Individual personal limits as agreed by the insurer may apply for members who have exceeded the medical proof free limit. No evidence of health and insurability will be required for an amount of cover less than or equal to the medical proof free limit.

Sanlam Group Risk will only give a member cover in excess of the medical proof free limit, after the member has provided medical evidence of good health. If the evidence is not acceptable, the excess cover may be declined.

A maximum benefit of R600 000 will apply to the Life and Lump Sum Disability insurance, for participating employers joining the Fund from 1 December 2017.

Takeover of Cover

Sanlam Group Risk will take over the cover of members who have already provided medical evidence of good health to the previous insurer. Future increases are, however, subject to Sanlam Group Risk's underwriting conditions. Existing loadings and/or limitations will also be taken into account by Sanlam Group Risk and must be disclosed at the date of take-over.

Existing cover, for which no medical evidence of good health was provided, i.e. cover under the previous insurer's proof free limit, will also be taken over provided that substantially the same membership is covered as previously and for substantially similar benefits.

Any future increases in the existing cover are subject to medical evidence of good health.

Cover Requirements During the First Three Months

During the first 3 months, cover will not be limited to the medical proof free limit subject to limitations on pre-existing conditions. In addition:

- ④ The benefit is limited to maxima as per the policy document
- ④ A member must be actively employed by the employer
- ④ It is applicable in the following situations:
 - In respect of new entries, i.e. new staff joining the employer
 - In case of salary increases to members and their cover is not already limited
 - In case of a change in the benefit structure to members and their cover is not already limited
 - When a new Sub-fund is established and certain members' cover exceeds the medical proof free limit on the commencement date
- ④ The premium must be paid on the full cover
- ④ The salary on which a claim is based will be less than or equal to the actual salary paid
- ④ Any claim, which may be lodged within three months from the commencement of the Sub-fund / amendment date, will be limited to the medical proof free limit, if the claim is related to an illness or injury which occurred within six months before the commencement date. When medical evidence of good health has been provided within the three-month period, the cover applies as determined by the Insurers

Please note – The benefit will be limited to the medical proof free limit if the life or disability of the insured is directly or indirectly caused by or is traceable to suicide or attempted suicide, which occurs within the said three months. The waiving of the medical proof free limit is not applicable in the case where there is a take-over of cover from another Insurer. Those members who are taken over from another Insurer are transferred with their existing cover provided certain conditions are met.

Individual Membership

05

The Fund makes provision for individual membership to continue even after a member leaves the employment of his/her participating employer.

Paid-up Members

These are members who have left employment prior to retirement, and elect to preserve their entire member share in the Fund. Paid-up Members are administered as part of a central Paid-up Member group rather than as part of their former participating employer's Sub-fund.

If a member has left employment and has not provided the Fund with a written instruction for the payment of their benefit within 6 months of leaving employment, they will be

defaulted into the Fund's Paid-up Member group.

Members who have housing loan guarantees or any amount owing to their employer at date of exiting employment, are permitted to become Paid-up Members. Sanlam Corporate will settle these amounts directly from the member's member share before becoming a Paid-up Member. Tax will be deducted before Sanlam Corporate settles the outstanding amount.

Paid-up Members' can elect to:

- ④ withdraw his or her entire member share at any time before retirement (subject to paying tax at the prescribed rates); or
- ④ transfer his or her entire member share at any time before retirement to another registered pension fund, provident fund, preservation fund or retirement annuity fund (transferred amounts are not taxed at present, except a pension fund to provident fund transfer); or
- ④ retire from the Fund at any time after attaining age 55 and elect a cash lump sum not higher than the permitted maximum, and purchase a compulsory annuity with the balance of his or her member share from any registered provider of such products.

Phased Retirees

These are members who have retired from employment after attaining age 55, but have deferred making an election pertaining to their retirement pay-outs from the Fund, and therefore the entire member share remains in the Fund.

Phased Retirees are administered as part of a central Phased Retiree group rather than as part of their former participating employer's Sub-fund.

Members who have housing loan guarantees or any amount owing to their employer at date of exiting employment, are permitted to become Phased Retirees. Sanlam Corporate will settle this amount directly from the member's member share before becoming a Phased Retiree.

Phased Retirees can elect to:

- ④ retire from the Fund at any time and elect a cash lump sum not higher than the permitted maximum, and purchase a compulsory annuity with the balance of his or her member share from any registered provider of such products.
- ④ transfer their full retirement benefit to a preservation fund.

Operating Expenses

The operating expenses applicable to these members are as follows:

- ④ Subject to a minimum fee of R26.50 per member per month (excluding VAT).

- ④ Contingency Reserve Account Levies at the current rate.

Death Benefits

The member share is payable when a Paid-up Member or Phased Retiree dies. The Trustees determine the distribution of death benefits due to beneficiaries of deceased members in terms of Section 37C of the Pension Funds Act, No 24 of 1956. Where the Trustees are of the opinion that it would not be in the interest of a minor beneficiary that his/her benefit be paid to his/her parent or guardian, the benefit may be paid to a registered beneficiary fund.

The Trustees have approved the use of the Sanlam Trust Beneficiary Fund as well as the Legacy Beneficiary Fund. The Board of Trustees will only be able to pay the benefits allocated to minor beneficiaries into a trust in very limited circumstances, e.g. where the member has nominated a trust to receive the benefits on behalf of the minor.

Servicing Model

There is no longer an employee-employer relationship in respect of Paid-up Members and Phased Retirees. Hence the members in these groups are administered in a different fashion to participating employer Sub-funds, and the administrator must be able to communicate directly with these members.

This implies that member contact details such as physical and postal addresses, cellular phone numbers, e-mail addresses and bank account details will be captured as part of the implementation process for all new Paid-up Members and Phased Retirees.

The preferred communication channel for the members in these groups is the SC Portal. It is a participation requirement that all Paid-up Members and Phased Retirees sign up to access the SC Portal. This state-of-the-art Internet portal allows members online access to their Fund information and data.

See Chapter 9 for more details.

Taxation

Operating Expenses

07

The Fund's operating expenses comprise the following:

Administration Fees

Administration Fees are levied by Sanlam to cover the cost of administering the scheme, and are deducted as:

- ⤵ A flat percentage of salary per member per month as stated in the signed quotation, plus
- ⤵ An asset based fee of 0.5% per annum including VAT levied monthly i.e. approximately 0.042% of assets per month.

Administration Fees do not include the Investment Management Fees charged for the management of investments.

On commencement the Administration Fee is guaranteed until the Fund's next review date, and thereafter is subject to review at 1 month's notice.

In respect of participating employers that do not utilise the electronic receipting contribution process, an additional administration fee of 20% will be levied on top of the flat percentage of salary per member per month as stated in the signed quotation.

Administration fees will be levied on members pending exits. These are members who are no longer on the payroll, but their exit documentation is outstanding. The following fees are applicable:

The Administration Fees do not include the normal costs and disbursement incurred by the Fund, e.g. fidelity insurance premiums, actuarial services, audit services, independent Trustee expenses, member communication, and other fees and disbursements. These fees are recovered by way of a monthly contingency reserve account levy which is determined by the Trustees in terms of a budgeting process. The Contingency Reserve Account Levy is currently 0.30% per annum of assets including VAT levied monthly i.e. approximately 0.025% of assets per month.

Investment Management Fees

Investment management fees are levied by professional investment managers employed by the Trustees in terms of the Fund's approved investment strategy. These fees will vary from time to time depending upon the investments selected by the Trustees. 08 Communication

Member Communication

The Trustees recognise that appropriate communication with all stakeholders is the key to assisting Fund members to take control of their own financial destinies.

The Trustees further view it as critical that Fund members are empowered and influenced to arrive at good retirement outcomes.

The Fund has a formal communication strategy in place that formalises a number of solutions and processes, with the aim of ensuring that members are educated on all aspects related to their retirement so that they may make informed decisions about their retirement planning and savings.

In order to deliver the solutions identified as part of the communication strategy, the Fund and Administrator require that the participating employer provides contact details for each member of the Fund.

Participating Employer

The participating employer, Contracted Benefit Consultant and Contracted Financial Advisor can extract reports online, using the Sanlam Corporate Portal (SC Portal) facility that contains daily-updated information on the participating employer's members for purposes of fulfilling their duties and obligations in respect of the Fund.

The Trustees and Sponsor make use of the SC Portal to ensure participating employers and their members have access to information such as the Fund's General Rules, Special

Rules, Insured Benefits policies, Investment Policy Statement and other relevant and useful information.

In terms of the Policyholder Protection Rules (Long-Term Insurance Act), 2017, it is required that policyholders, including members, of group schemes are to be provided with the insured benefits policy. Participating Employers are required to make the policy available to members and retain proof thereof. Sanlam may request proof of such communication, from time to time, for the purpose of monitoring compliance with this legislation.

The mandatory appointment of a FAIS accredited Contracted Benefit Consultant is intended to ensure that participating employers and Joint Forums are kept abreast of legislative and product updates, and also that the appropriateness of the chosen benefit structure is regularly reviewed. The mandatory Joint Forum process ensures that members are also consulted on such developments via their member representatives, and is a valuable additional communication channel.

Members' Contact details

To ensure that members are able to register online and benefit from the digital solutions available to them, the Fund and Administrator requires that the participating employer provides contact details for each member at the inception date of the Sub-fund.

Members' contact details will only be used for communication related to their retirement fund and will not be used for the purpose of marketing new products to members.

Centralised Joint Forums

Centralised Joint Forums are held periodically for all Joint Forum representatives. These forums serve as an extra communication and education channel between the Fund and these representatives, which can in turn enhance communication to the wider body of members.

Member Portal

The Trustees and Sponsor make use of the Member Portal as an electronic communication tool and for the disclosure of fund information to members. Upon joining the Fund, members may register to view their personal insurance and retirement information online via Sanlam's Member Portal.

The information is updated on a daily basis, and reflects updated information as contained on the Fund's administration platform.

Members are able to access updated benefit statements at any time and view further valuable information related to:

- ④ Their retirement savings
- ④ Where their money is being invested
- ④ Their group insurance benefits
- ④ Factors to consider during certain life events
- ④ Useful educational topics.

The web portal also allows members to interact with Sanlam and they are able to perform a number of functions related to their retirement information.

- ④ By using the Retirement Calculator, members may evaluate and tailor their retirement plans.
- ④ Members may view their beneficiary information on record with Sanlam and make changes if they wish.

“Sanlam Portfolio app”

Fund members may download the “Sanlam Portfolio app” that will provide them with effortless access to all their retirement information via any mobile device.

Day One Tools

The Day One tools include two key educational elements which will help members embark on a good retirement plan when they join employment.

- ④ A 5 minute video, which clearly explains both the calculator and how a retirement fund works.
- ④ A member replacement ratio calculator, which projects a member's retirement outcome and suggests what they can do to improve it.

Sanlam's Member Call Centre

Members also have access to a call centre where they can ask questions relating to their benefits under the Fund, and enquire as to progress on benefit payments. The call centre agents have enquiry access to the workflow system so that they can appropriately respond to member queries. The call centre agents are not registered with the FSCA to give advice and accordingly cannot provide financial advice to members.

The call centre's details are:
Telephone number: 086 122 3646
E-mail address: SCClientCare@sanlam.co.za
Whatsapp: 086 122 3646

Individual Member Support

In order to comply with the default regulations the Sanlam Unity Umbrella Fund now offers Individual Member Support to all its members.

The regulations introduce the concept of Retirement Benefit Counselling, which must be made available to members before they receive a withdrawal or retirement benefit.

This service offers all members of the Fund with much needed information to assist them in every step of their retirement savings journey, enabling members to make well-informed decisions about their retirement savings.

- ④ **A self-help online retirement planning website:** This website contains valuable educational content that guides members' decisions through a sequence of steps. A variety of calculations and other useful tools are also available.

- ④ **Telephonic support by Retirement Benefits Counsellors** compliments and supports the role of the Contracted Benefit Consultant and Contracted Financial Advisor, with the aim to further improve members' retirement outcomes. Counsellors do not offer advice to members, but rather help members through the sequence of steps.
- ④ **Toll free phone number:** 0800 111 956
- ④ **E-mail address:** IMS@sanlam.co.za
- ④ **Free SMS number:** 38300
- ④ **Telephone number for members outside of South African borders:** +27 21 916 6499

The Contracted Financial Adviser

The mandatory appointment of a FAIS-accredited Contracted Financial Adviser for each participating employer is intended to ensure that members have access to much needed face-to-face financial advisory services. This can be particularly important at the time benefits are due to be paid, when members are required to make significant financial decisions pertaining to their own retirement funding and insurance needs.

Event Based Communication

Specific communication is issued to members at certain pre-determined events, with the aim at educating and empowering members.

- ④ Upon entry into the Fund, every member is issued a member certificate by the Administrator.
- ④ When a participating employer joins the Fund, a member guide is issued and made available to members on the Member Portal. Participating employers may also request to obtain printed member guides from the Fund's Administrator.
- ④ Every member receives an annual benefit statement compliant with the guidelines issued by the FSCA.
- ④ Monthly investment fact sheets and quarterly investment updates are issued and made available on the Member Portal.
- ④ An electronic member newsletter that contains Fund updates, topical information, industry updates, etc. is issued on a quarterly basis.

Sanlam Corporate Portal

09

Communication via the internet

The Sanlam Corporate Portal (SC Portal) provides our employers, and consultants with state-of-the-art retirement fund administration processes via the Internet.

It is a participation requirement that all participating employers utilise the SC Portal facility to streamline the administration of their Sub-fund.

The Trustees and Sponsor make use of the SC Portal facility as an electronic communication tool and for the disclosure of fund information to participating employers and members.

How it works

Participating employers and consultants are issued with a unique pin-code that ensures confidentiality and security of member information.

Participating employers utilise this facility to transmit data to the Administrator electronically, thus streamlining the administration of their retirement fund.

How to gain access

The participating employer, and the Contracted Benefit Consultant as defined in the Confirmation of Acceptance document will automatically receive access to the SC Portal.

Data transmitted via the SC Portal

The participating employer submits the following data electronically to the Administrator:

- ④ Updated monthly expected contribution schedule with member data
- ④ New members joining the Sub-fund
- ④ Exiting members on withdrawal or retirement
- ④ Death claim notification and information
- ④ Changes in member information
- ④ Details related to temporary absence of a member
- ④ General communication

Replacement ratio calculator

This easy-to-use calculator has been designed to offer members an indication of the level of income they could receive as a percentage of their current pensionable salary if they purchased an annuity at retirement, based on their accumulated savings and contributions rates.

The calculator automatically populates members' retirement fund information currently on record with Sanlam Corporate. Members then have an option to change certain assumptions or input additional retirement savings they are making, thus allowing for a comprehensive overview of their retirement savings situation.

The calculator also provides participating employers and Contracted Benefit Consultants with the option to request a "bulk report" for all members from a particular employer group in one report. The report is provided in excel format, which allows one to manipulate the data in a flexible manner. Additional outputs include employer level graphs and summary tables based on the demographics for that employer.

Users should note that the projections do not constitute an annuity quotation and that actual quotations would need to be obtained from the appropriate service provider for members close to retirement.

Other functionalities available

The following further functionalities are currently available to users:

- ④ View up-to-date member benefit statements
- ④ View general member information
- ④ View all payments made for members
- ④ Trace all transactions on a history log/audit trail
- ④ View monthly reports relating to member data
- ④ View documentation relating to the Fund i.e. Rules and Policies
- ④ Information on investment returns and investment portfolios

Terms and Conditions

Validity

Quotations are valid for 90 days from the date of issue and are subject to Sanlam Corporate standard terms, conditions and assumptions.

Membership Data and Details

The quotation is based on the details and data provided by the employer. The fees are subject to change if the details and data that were supplied were incomplete or differ on commencement.

In addition, the quotation excludes members (unless otherwise stipulated in the quotation):

- ⤵ who are contract workers
- ⤵ who are past the cover cease age
- ⤵ in respect of whom no salary was provided at quotation stage
- ⤵ in respect of whom no date of birth was provided at quotation stage
- ⤵ who currently receive disability income benefits

Quotation Conditions

A suspensive condition of the quotation is that the Administrator will conduct a reconciliation of data to ensure that it is compatible so as to ensure a smooth take-on. The take-on date will only be confirmed after this reconciliation has been completed and once the Administrator is satisfied with the status of the information.

Quotation requests for Sub-funds that have previously been underwritten, and comprising

more than 400 members, must be accompanied by claims experience from the previous administrators.

When a new claim is received during the transitional period before all assets are transferred:

- ④ The Administrator will calculate the part of the benefit that accrues to the member for the period since the take-on date, arrange for a tax directive and pay the claimant
- ④ The previous administrator remains responsible for the payment of the benefit that accrues to the member for the period before the take-on date

Administration Conditions

Customer Due Diligence

The FIC Amendment Act, 2017 and party due diligence requirements obligates Sanlam to identify and verify all persons and entities we interact with. Therefore all participating employers of the Sanlam Unity Umbrella Fund need to provide the most updated documentation verifying ownership.

If the participating employer fails to provide the relevant information and supporting documents at on-boarding or on request at a trigger event, the payment of benefit claims may be negatively impacted.

Membership Data

- ④ The amended Policyholder Protection Rules (PPR) under the Insurance Act 18 of 2017 requires that insurers have up to date, accurate and complete member identity numbers and member contact data at all times. The Fund will not be able to confirm cover of Sub-funds with insured benefits without the required member data imposed by the Policyholder Protection Rules legislation. The member data at inception date should contain at a minimum full names and surnames, ID numbers, salary, mobile numbers and email addresses.
- ④ The correct membership data must reach the Administrator before or on the commencement date. Thereafter, it must be submitted within two working days before the end of the month.
- ④ To ensure a smooth take-over, there will be a full reconciliation between the number of members and member credits received by the Administrator and the number of

members and member credits transferred by the previous Administrator. Any differences will need to be explained by the previous administrator.

- ④ It is a legislative requirement that all existing eligible, permanent employees are given the opportunity to join the Fund on or after the commencement date. However, underwriting conditions will apply to existing employees joining the Fund more than three months after the date of inception of the Sub-fund. The above is applicable to new funds and not existing funds transferring to the Sanlam Unity Umbrella Fund.

Contributions

- ④ It is a participating requirement that all participating employers utilise the SC Portal and electronic contribution process.
- ④ Employer and employee contributions must be paid over to the Fund within five days of the end of the period for which the contributions are due. Interest is payable according to legislation on late payment of contributions. Late payment of premiums may also result in members not being covered in terms of the group insurance and may also result in suspension or termination of participation in the Fund.
- ④ Contributions will be allocated to individual member accounts on a monthly basis.
- ④ The contribution payment received must reconcile fully with the final contribution data, which includes all requirements outlined in the FSCA Conduct Standard 1 of 2022.
- ④ In the case of temporary absence, e.g. maternity leave, the employer must continue to pay the contributions for insurance and operational expenses for these members.
- ④ In the case of Participating Employers in financial distress, e.g. as a result of a national state of disaster, employers are urged to contact their Client Relations Manager who will advise them on the available solutions offered by the Fund.

Claims

All documentation in respect of new claims must be submitted to the Administrator before the end of each month. The assets of members who exit the Fund and for whom claim documentation has been received will be disinvested and transferred to an interest-bearing investment at the end of each month.

General and Special Rules

The Sanlam Unity Umbrella Fund is governed by a set of General Rules registered in terms of Section 12(4) of the Pension Funds Act and is approved in terms of Section 1 of the Income Tax Act. Once a quotation has been accepted, a set of Special Rules for each Sub-fund will be drafted based on the Confirmation of Acceptance document. The Special Rules will be signed by the Trustees within one month of the commencement date, and thereafter submitted to the FSCA. The Trustees will ensure that both the General Rules and all Special Rules comply with the requirements set out in Section 12(4) of the Pension Funds Act and Section 1 of the Income Tax Act. Participating Employers have access to the General and Special Rules via SC Portal.

As required by the Pension Funds Act Regulation 30(2)(ii), each subsidiary company in a group of companies must be registered as a separate Sub-fund in an umbrella fund. Even if all the employees in a group of companies have identical benefit structures and even if all the subsidiaries are 100% owned by a parent company, each subsidiary must still be registered and set-up as a separate Sub-fund.

Late Entrants

If an employer establishes a new fund and any existing employee who does not join the fund within 3 months of being given the choice to join the fund, he/she will only be able to enjoy risk benefits later, with the approval of the insurer, and has provided proof of good health (medical underwriting).

Guarantees

On commencement, the Administration Fee and insurance premium rates are guaranteed for 12 months, and thereafter are subject to review at 1 month's notice. This guarantee will cease to apply in the event that there is, in the Sponsor's opinion, a material change

in the membership profile or Sub-fund data from that utilised for purposes of determining the quoted fees.

Amendments

Rates quoted on amendments affected during the year will only be valid until the next annual revision date of the Fund.

Installation

The confirmation of acceptance must be signed prior to the commencement date. It is a prerequisite that the Administrator thereafter receives completed and signed documentation for installation by the 15th of the month prior to month of intended participation. In the event of documentation being received after this date, the Administrator can choose to move the effective participation date to the following month and any contributions received will only be invested in the new participation month.

Additional/non-standard Services

- Certain prescribed fees are payable by the Fund to the statutory authorities. These fees are debited against the Central Contingency Reserve Account.
- The standard administration fees make provision for English correspondence. The Sanlam Unity Umbrella Fund can accommodate correspondence in a second language, and this will be quoted for separately on request.
- Special fees can be negotiated for additional services. These fees will depend on the nature of the requested additional services, and the associated additional resource requirements and costs.

Correspondence

Communication between the various parties will as a general rule be done by e-mail.

Dissolution Fees and Conditions

- ① The notice period for terminating participation in the Sanlam Unity Umbrella Fund is two calendar months.
- ② If the dissolution is not finalised within three months for reasons that cannot be attributed to delays on the part of the Sponsor, the Administrator or the Fund, any additional costs incurred may be recovered. These costs will be based on a reasonable fee per hour. Additional charges may be levied by the liquidator or any statutory charges payable.

Claims Notification

Prescribed claim forms must be completed and sent to the Administrator. The Administrator and/or Sanlam Group Risk may, from time to time, insist on further requirements before considering a claim. This information will be requested in writing.

No disability or death benefit will be payable if the Administrator is not notified of the claim for the benefit within six months of the member's death or disability.

Cooling-off Period

Should a quotation be accepted, there is no cooling-off period during which membership of the Fund can be reconsidered, and cancellation at a later stage could result in potential financial loss.

Replacement

Replacing an existing fund could be potentially detrimental to members. Detail of the actual and potential financial implications, costs and consequences of the replacement product should be disclosed in full by the intermediary and should cover:

- payment of new charges
- loss of cover
- change in investment risk
- recoupment of unrecovered expenses under the replaced policy

- loss of tax advantages (if any) in terms Financial Advisory and Intermediary Services Act, No 37 of 2002 (FAIS). Sanlam is a duly authorised, licensed financial services provider and all its representatives must adhere to, inter alia, the following requirements:
 - Give appropriate advice in accordance with the client's needs and financial situation
 - Keep proper record of the advice and request the client's signature to the record of advice

Administrative Errors Rectification

The Administrator will be liable for, and will indemnify the Fund in respect of any loss or damage which arises as a result of the fraud, theft, dishonesty, negligence or breach of contract by the Administrator or any director, employee, officer, servant or agent of the Administrator. Such liability shall, however, be limited to direct damages actually suffered and loss incurred. Without derogating from the foregoing, the Administrator shall place the members in the position they would have been had the aforementioned eventualities not occurred. The members will not be entitled to any windfall profits as a result of the aforementioned eventualities.
